

# Curriculum Vitae of Kiwao Kadokami

Nov. 11, 2010

Name	Kiwao Kadokami	Male	Birth date January 17, 1951(59)
Affiliation	Faculty of Environmental Engineering, The University of Kitakyushu 1-1 Hibikino, Wakamatsu, Kitakyushu, Japan 808-0133 Tel: 093-695-3739, Fax: 093-695-3787 E-mail: kadokami@env.kitakyu-u.ac.jp		
Position	Professor		

## Education

1969 - 1974	Department of Literature and Science, Yamaguchi University, BSc in Analytical Chemistry
1990 - 1991	Department of Ocean Sciences, Tokyo University of Fishery. PhD in Fishery – ‘Development of Gas Chromatography/Mass Spectrometric Methods for Monitoring of Micro-organic Pollutants in Natural Waters.’

## Professional Career

1974 - 1980	Technical Staff. Kitakyushu Environment Bureau.
1980 - 1991	Technical Staff – Director. Kitakyushu City Institute of Environmental Sciences
1989 - 2010	Visiting researcher of University of Occupational and Environmental Health, Japan
1992 - present	Guest researcher of National Institute for Environmental Studies, Japan
1993 - 1993	JICA Expert in Environmental Research and Training Center, Thailand
2001 - 2006	Guest professor of Graduate School of Life Science and Systems Engineering, Kyushu Institute of Technology
2006 - present	Professor, Faculty of Environmental Engineering, The University of Kitakyushu

## Awards

1993	Award of Kyushu branch of National Council of Environmental Institute
1996	Best paper award of Japan Society for Environmental Chemistry
2000	Academic award of Japan Society for Environmental Chemistry
2004	Award of National Council of Environmental Institute
2004	Academic award of Kyushu branch of Japan Society on Water Environment
2010	Best paper award of Japan Society for Environmental Chemistry

### Academic Specialty

Environmental Chemistry, Environmental Analytical Chemistry, International Cooperation of Environment

### Membership in Academic Society

The Japan Society for Analytical Chemistry, Japan Society on Water Environment, Japan Society for Environmental Chemistry, Japan Society of Endocrine Disrupters Research, Japan Society of Material Cycles and Waste Management, The Japanese Society of Environmental Toxicology, American Chemical Society, Society of Environmental Toxicology and Chemistry

### Social Activity in 2009

1. Cooperation member of Science Council of Japan
2. Member of Committee on Analytical Method for Chemical Substances of Ministry of The Environment, Japan
3. Member of Committee on Results of Environmental Survey on Chemical Substances, Ministry of The Environment, Japan
4. Member of Committee on Evaluation of Environmental Survey Results of Chemical Substances, Ministry of The Environment, Japan
5. Member of Committee on Selection of Chemical Substances for Environmental Survey, Ministry of The Environment, Japan
6. Member of Committee on POPs Monitoring, Ministry of The Environment, Japan
7. Member of Committee on Exposure Amounts of Dioxins in Japanese, Ministry of The Environment, Japan
8. Member of Japan-Korea Co-Operative Joint Research on POPs and Other Relative Chemicals
9. Member of Committee on Time Capsule Project of Environmental Samples, National Institute for Environmental Studies, Japan
10. Member of Advisory Committee on Project for Enhancing Capacity of Vietnamese Academy of Science and Technology in Water Environment Protection Phase II, JICA
11. Examiner of EIA Committee of Kitakyushu City
12. Director of Kitakyushu Life Science Center
13. Councilor of Japan Society of Environmental Chemistry
14. Member of editorial committee of Journal of Environmental Chemistry
15. Councilor of Japan Society of Endocrine Disrupters Research
16. Director of Japan Society on Water Environment
17. Vice director of Kyushu branch of Japan Society on Water Environment
18. Councilor of Kyushu branch of Japan Society of Material Cycles and Waste Management
